1. 30-Second Placement Assessment & Two Starting Experience Modules

- Quick 3-Question Placement Assessment (everyageai.com/assessment): Matches every learner in 30 seconds based on (1) Who is learning today (7 Age/Role Tracks), (2) Prior AI experience, and (3) What goal helps most first.
- Module A — Background Novice Foundation Module (everyageai.com/novice): Built for complete beginners with zero technical jargon. Covers what AI actually is in plain words, what private details never to share, how to spot fake messages and voice-clone scam calls, and 3 easy guided practice steps before Day 1.
- Module B — Some Experience Acceleration Module (everyageai.com/experienced): Built for learners who have already tried AI a few times and want sharper results using structured 4-part prompts (Role + Context + Constraints + Format), iterative follow-ups, source verification, and multi-step workflows.
- Interactive Live AI Prompt Coach & Assistant Chatbot: Every lesson includes real-time prompt scoring (Clarity, Context, Privacy/Safety, Verification), 1-click Auto-Improve, Read-Aloud narration, and printable 3-Day Trial & 60-Day Program Certificates.

2. Seven Age & Role Tracks (60 Days Each · Days 1–3 Free Interactive Trial)

- Grades K–2 (Ages 5–8 · Parent/Teacher Co-Pilot) & Grades 3–5 (Ages 8–11 · Elementary Builders): Curiosity, reading helpers, and privacy rules.
- Grades 6–8 (Ages 11–14 · Middle School) & Grades 9–12 (Ages 14–18 · High School & Future): Study coaching, fact-checking, coding/STEM, and ethical academic writing.
- Teachers & School Leaders (K–12 Educators): Lesson differentiation, rubric design, IEP/504 workflow support, and school academic integrity policy.
- Adults 18+ (Work, Home & Career) & Adults 55+ (Step-by-Step Guided Mode): Large Print Mode, Read-Aloud audio, scam & voice-clone call defense, travel/health organization, and workplace productivity.
